Memorandum

Date : February 17, 2004

To : All California Department of Corrections Employees

Subject: **ZERO TOLERANCE REGARDING THE "CODE OF SILENCE"**

The California Department of Corrections (CDC) is only as strong as the values held by each of its employees, sworn and non-sworn. How we conduct ourselves inside our institutions and in the Central Office is a reflection of those values.

The "Code of Silence" operates to conceal wrongdoing. One employee, operating alone, can foster a Code of Silence. The Code of Silence also arises because of a conspiracy among staff to fail to report violations of policy, or to retaliate against those employees who report wrongdoing. Fostering the Code of Silence includes the failure to act when there is an ethical and professional obligation to do so.

Every time a correctional employee decides not to report wrongdoing, he or she harms our Department and each one of us by violating the public's trust. As members of law enforcement, all Correctional Officers must remain beyond reproach. The public's trust in this Department is also violated by retaliating against, ostracizing, or in anyway undermining those employees who report wrongdoing and/or cooperate during investigations. There is no excuse for fostering a Code of Silence.

Your hard fought efforts to protect the public deserve recognition. Recently, however, the public's trust has been undermined by the operation of a Code of Silence within the CDC. To correct this problem we are taking steps to ensure the Department exemplifies integrity and instills pride. Part of this effort is the immediate implementation of a zero tolerance policy concerning the Code of Silence. We will not tolerate any form of silence as it pertains to misconduct, unethical, or illegal behavior. We also will not tolerate any form of reprisal against employees who report misconduct or unethical behavior, including their stigmatization or isolation.

Each employee is responsible for reporting conduct that violates Department policy. Each supervisor and manager is responsible for creating an environment conducive to these goals. Supervisors are responsible for acquiring information and immediately conveying it to managers. Managers are responsible for taking all appropriate steps upon receipt of such information, including initiating investigations and promptly disciplining all employees who violate departmental policy.

Any employee, regardless of rank, sworn or non-sworn, who fails to report violations of policy or who acts in a manner that fosters the Code of Silence, shall be subject to discipline up to and including termination.

PREFACE

Welcome to the California Department of Corrections' (CDC) Basic Correctional Officer Academy (BCOA). Your acceptance into the Academy is your threshold into an exciting and rewarding career with one of the largest and finest correctional systems in the world.

The Richard A. McGee Correctional Training Center (CTC) conducts a training program designed to produce competent, qualified correctional peace officers that will enforce the laws of the State and provide service to the public by confining and supervising convicted felons.

Correctional Officers (COs) are responsible for protecting the public, staff, and inmates in a correctional institution environment. Institutions operate 24 hours a day, 365 days a year and COs must be willing to work any day or time as required. Candidates successful in the selection process and appointed as COs undergo a 16-week training Academy and a 2-year apprenticeship program. Due to the physical and mental aspects of the job and the institutional environment, COs should be mature, physically fit, and emotionally stable. The variety of assignments will require good leadership and motivational skills; good personal and social adjustment; and the ability to deal with others consistently and fairly. Only the most qualified applicants will complete all steps of the process and graduate from the Academy.

It is imperative that you familiarize yourself with the contents of this Handbook and comply with the expectations listed.

You are required to complete the Cadet Handbook test located in the Appendix section of this Handbook. The test will be collected at Station 2 during the registration process.

I. BASIC CORRECTIONAL OFFICER ACADEMY

The discipline built into the Basic Correctional Officer Academy (BCOA) will require work from every candidate who intends to complete the training successfully. You will attend various classes 5 days a week, 8 hours per day.

The BCOA Sergeant/Instructors are hired from institutions throughout the CDC. Their combined experience, knowledge, and dedication will provide you with the basic skills necessary to become a knowledgeable and professional correctional peace officer. A Sergeant/Instructor will be assigned as your Company Commander (CC). The CC will be personally responsible to assist you during your stay and will prepare a written evaluation of your overall Academy performance. A Watch Sergeant is on duty 24 hours a day, 7 days a week, and is prepared to assist you at the times your CC is unavailable.

Inmates from Mule Creek State Prison are part of the daily work crews at CTC. It is your responsibility to maintain a heightened sense of awareness at all times and follow all rules, regulations, and directives of the Academy staff.

If you drive your personal automobile to the CTC, it is mandatory that you utilize the assigned cadet parking area only. You will be directed to these areas by CTC staff. These parking spaces are located to the west and northwest sides of the Academy. **It is important that you keep your vehicle locked at all times.** During processing, you will be required to list the license number and make of your vehicle. The vehicle must have valid registration tags. If later, you bring a vehicle on grounds, which has not been previously listed, you are required to notify the Watch Sergeant immediately and provide him/her with this information. Cadets will utilize the assigned areas of parking throughout the Academy. Cadets found in violation of this directive will be subject to disciplinary action.

If you are being dropped off, family members and friends are to utilize the area for drop off ONLY and follow the directions of CTC staff. *Extended visiting in the parking area or CTC grounds is **NOT** permitted at any time during the Academy.*

If you will be traveling to the CTC via public transportation, the Academy will provide transportation from Sacramento International Airport, Greyhound Bus Terminal-Sacramento, and the Amtrak Station in Sacramento. Arrange your transportation so that you can meet pick-up times. You must contact the CTC at (209) 744-5044, at least one week prior to your starting date, to coordinate transportation from these locations.

A.

B. Upon Arrival at the Academy

Your first day at the Academy is devoted to processing and orientation. In the event of an emergency, or if you are not able to report to the Academy by the time indicated in your contact letter from Selections and Standards, you are expected to call (209) 744-5044 and advise the Watch Sergeant on duty that you will not be reporting as scheduled and your estimated time of arrival.

It is imperative that each cadet report to the Academy well groomed and in **business attire (NO** blue jeans, sweat suits, or tennis shoes). Attire must be conservative, non-form fitting, and male cadets must wear collared shirts. (For grooming standards and expectations, reference Pages 8 and 9 of this Handbook). Upon your arrival at the Academy, you will go through a check-in process. At that time you will turn in the **completed forms** located in the Appendix of this handbook. You will receive a room assignment and have a picture identification card made that you must carry on your person and present upon request, throughout the remainder of the Academy.

Upon completion of registration, you will have the opportunity to purchase supplies from the CTC Recreation Fund Store (Canteen), including jumpsuits, boots, physical training (PT) clothing, school supplies, and other personal items needed for your stay at the Academy. The CTC Recreation Fund Store will be open and available for you to purchase various items throughout your duration of the Academy. Call (209) 745-4661, if you have any questions. Additionally, outside uniform vendors will be on grounds and available for uniform and accessory purchases. However, the physical fitness uniform can only be purchased at the CTC Recreation Fund Store.

The following information is required for the first day of processing. Failure in providing the information below may delay your benefits.

1. Spouse's full name, date of birth, Social Security number, work address, Zip code, and work telephone number.
2. Dependent(s) full name(s) and date(s) of birth.

On the second day of the Academy, you will be assigned to a Company (about 40 cadets) and be introduced to your CC. Your CC will pick a Junior Company Commander (JCC) from among your group to assist the CC. Four squad leaders will also be chosen by the CC and will assist the JCC in assembling the Company for formation events. The CC will choose a Guideon Bearer who will carry the Company flag to all events except for Cadet On-Site Institutional Training (COSIT).

Each cadet will have **ONE** locker and will tape a 3" x 5" ID card to the locker showing the cadet's name and control number. Lockers **must** be secured at all times with a padlock. Shower facilities will also be available to

accommodate cadet hygiene needs. Off-site cadets are responsible for the cleanliness of this area.

Meals:

Meals for cadets are provided at the Academy's Culinary three times per day. During the week, your Company's duty schedule will identify the hours you can report to the Culinary. Change of Housing

Cadets that elect to change housing arrangements, consisting of off-site to on-site or on-site to off-site housing, will be required to fill out the necessary request form and receive approval signatures from your CC and the Program Lieutenant. Requests must be received five working days in advance.

Cadet On-Site Housing

Cadets must maintain their Academy housing in accordance with the following specific directions. These guidelines are necessary to afford and promote clean, healthy, safe, secure, and orderly living conditions for all cadets. Failure to comply with established policy in this area is a disciplinary issue, and it displays a lack of respect for fellow cadets and staff.

Rooms must be **clean** and **orderly at all times**. Floors will be swept, mopped, or vacuumed. Surfaces will be free of dust. Sinks will be clean. Trash will be in wastebaskets and wastebaskets will not be left full. Tops of dressers, desks, and lockers will have nothing on them except a clock (no clock radios) and one personal photo frame (per cadet) no larger than 4" x 6". Nothing will be attached to the walls, doors, or inside/outside of lockers, unless instructed.

Nothing shall be left on the floor, with the following exceptions: Each cadet may leave **one** luggage item (closed) and **two** pair of footwear, per cadet, **neatly under** each bunk. Within closet areas (with or without doors), cadets may store additional items on the floor, in an **orderly manner**. All other personal items, including books and clothing, must be put away neatly into lockers, footlockers, dressers, closets, or duffel bags. Personal furniture, including cardboard dressers, folding chairs, and rugs are not authorized.

Rooms must be secure. Personal and valuable items (i.e., wallets, money, jewelry, identification, personal information, electronic devices, keys, duty equipment)

must be **locked** away

When a cadet is assigned a bed, he or she will automatically be assigned the locker, footlocker, or dresser drawer that corresponds with their bed number. Cadets will **ONLY** use the locker, footlocker, or dresser drawer that is assigned to them. On the 3 "x 5" card that is affixed to the door, the cadet will legibly print their bed number, their name (last name, first name), and their control number.

E DORM – Cadets may have one small single-bulb desk lamp. Affix an ID card to each piece of luggage.

F DORM – Store no valuable items in dressers. Inmates have access to these living areas. If you use under-bunk storage, affix an ID card to the luggage.

G DORM – Affix an ID card to each piece of luggage.

H and I DORMs – Store nothing on the tables. Affix an ID card to each piece of luggage.

Q, R, and S ROOMs – All valuable items must be stored out of sight and windows must be secured closed. Affix an ID card to each piece of luggage. Items will not be stored on or around the air-conditioner/heating unit. Showers must be cleaned often and allowed to ventilate. Do not store items in the shower.

Beds will be made daily, uniformly, and nothing will be left on them. Only Academy issue bedding will be on the bed. **Personal** items will be put away. A **white** towel, folded neatly may be hung on the end of each bunk. Dirty clothing may be stored in a laundry bag, and hung at the end of each bunk.

Water is the **ONLY** consumable item allowed in cadet housing. No food items are allowed.

If you would like to use dietary supplements, i.e., powdered drink mix, protein bars, etc., you must store the container in a vehicle. However, you may have a one-day supply in your possession or room.

Common areas, showers, and restrooms will be clean every day. All trash will be picked up and the trash can emptied into the dumpster. The janitorial room will be kept clean and orderly. Cleaning schedules for the common areas are posted on each dorm bulletin board.

All electrical items (lights, air conditioner, hair curler, etc.) will be shut off when not in use and need to be secured. If the heater/air conditioner is used, the windows must be closed. A Care of Living Quarters memorandum is posted in all dormitories.

Cadets are prohibited from possessing sexually explicit materials, defined as personal photographs, drawings, magazines, and pictorials showing nudity. Materials found in the possession of cadets will be treated as contraband and disposed of or mailed at the cadet's expense,

and you will be subject to progressive discipline, up to and including termination.

Cadets are required to **legibly** fill out **two** *Living Quarters Inspection Checklist Forms* with their room number, names and control numbers. They will leave the completed forms on a table or dresser top just inside of their door for use by staff inspecting rooms and/or dorms. If a form is used, the cadets will obtain another form from their CC and fill it out to replace the used form. There should always be **two completed** forms in each room or dormitory. Failure to have a form present for use by inspecting staff will be a “gig” (Cadet Incident Card) for every cadet in the room.

Cadet uniforms will be secured in lockers at all times. **Nothing** is to be left hanging from fixtures, blinds, thermostat, etc.

I. Cadet Daily Departure and Return Procedure

Exceptions to Academy arrival and departure procedures, must be with **PRIOR** approval from the Academy Commander or designee, and will normally be in writing.

Cadet must notify the Watch Office when they realize they are going to be late for duty or curfew. They must provide that notice **PRIOR** to being late.

10. Cadet must sign-out immediately prior to departing grounds and must sign-in immediately upon re-entering the Academy buildings. **The sole entry and exit point for the Academy is the Front Entrance (Glass Hall or Watch Office Foyer).** This applies to all situations, whether the cadet is going to the parking lot to **leave grounds or to just get something from their vehicle.**

When going to or coming from the front entrance, the North Corridor is off limits Monday-Friday, 0600-1700 hours due to classes still in session. Cadets leaving the classrooms in the North Corridor due to breaks, must use the closest corridor exit in order to minimize traffic. Cadets must utilize the South Corridor and Senior Square to exit the Academy.

Cadets wishing to run on the track after duty hours must sign-out in the recreation log book before accessing the track. Upon completion of their run, cadets must sign-in on the logbook.

Cadets may not access the parking lot during their duty hours or lunch hour. (Contact the Watch Office in emergencies.)

Cadets may not leave their vehicle at the Academy entrance (near flagpole) for the purpose of signing the log, and must inform families not to park there when picking up or dropping off cadets.

Cadets will receive an incident card for failing to sign-in/out properly (wrong line, wrong time, omitting time, signature, etc.).

Cadets residing on-grounds:

Must be in their rooms Monday through Thursday nights, with lights out, by 2300 hours (Quiet hours: 2300–0430 hours). During quiet hours, cadets must be in their living quarters, quiet and have their lights out, in consideration of other cadets. Cadets returning from liberty must sign in no later than 2250 hours. This will allow time to report to your room and have the lights out by 2300.

May remain off-grounds from the end of their scheduled duty day Friday until the start of their scheduled duty hours on Monday.

May not remain off-grounds Monday through Thursday nights without prior written approval. (Emergencies require contacting the **Watch Office at (209) 744-5044**).

Cadets returning to Academy grounds during quiet hours (Friday or Saturday night: 2400-0430 hours; Sunday through Thursday night: 2300-0430 hours), will be permitted to return to their room, but it will be documented.

May sign-out and depart grounds no earlier than 0500 hours, Monday through Sunday.

J. Daily Activities

The Academy day will consist of 8 hours of academic and physical instruction. The hours of instruction will vary. **It will be the responsibility of each cadet to strictly adhere to the schedule. The day will be completed at the end of the scheduled duty day. Breaches of punctuality may result in progressive discipline.** Personal ethics and punctuality are continually stressed, as this is a key aspect of a CO's career.

Academy facilities and all living areas are subject to inspection at any time. Cadets are responsible for the daily cleanliness of the living areas. Dormitories may be inspected daily at any time (without notice) by the BCOA staff.

K. Cadet Behavior Expectations and Attitude

While you are living and training at the CTC for the next 16 weeks, your presence and demeanor are expected to be a credit to yourself and to the CDC. Do not engage in unprofessional behavior that may tarnish your newly chosen career. It is your responsibility to conduct yourself in a mature, responsible manner at all times, both **on and off duty**. You, as a cadet, are to conduct yourself in an exemplary manner and perform all duties thoroughly and precisely. You are to carry out all lawful orders and instructions given by staff. You will not commit any acts, either during or outside of scheduled duty hours, that are unbecoming to public service and which might reflect unfavorably upon yourself or the CDC. Unethical behavior, which includes attempting to circumvent examination programs or dishonesty, will not be

tolerated. You will be subject to progressive discipline, up to and including termination.

You are required to comply with all departmental policies and procedures. Additionally, you are responsible to become familiar with and abide by the basic Academy rules.

L. Medical

1. There are no doctors on the Academy grounds. Medical care is limited to medical assessment, emergency treatment, and transportation to a medical facility. The Academy does not provide any prescription or over-the-counter medications for cadets.
2. If you have prescription medications that you must take, and they have been declared and approved during your pre-employment medical screening, you are **NOT** required to declare them during check-in. However, the medications must be kept in your possession or secured in your locker at all times.

If you have prescription medications that you must take and you have not notified Selections and Standards and had them approved prior to arriving at the Academy, you are **REQUIRED** to declare them at the Medical Station during check-in.

You may have and use any over-the-counter (OTC) medications such as Tylenol, cough suppressants, Motrin, etc., at anytime during the Academy. These OTCs **DO NOT** have to be declared or approved. However, they must be in your possession or secured in your locker at all times.

3. If you obtain a **prescription medication** during your stay at the CTC, you must declare it immediately. Notify your Company Commander. If he/she is not available, notify the Watch Sergeant.
4. **Immediately** report any injury or illness to the CTC staff. Report any injury or illness occurring after hours to the Watch Sergeant as soon as possible. Emergency first aid items may be obtained from the Watch Sergeant.
5. If you become ill or suffer an injury before your class (especially PT), you must report to your class and report your illness or injury to the instructor immediately.
6. If you are residing off grounds and call in sick, you will be required to comply with the following procedure:

You must go to

a doctor **that** day and obtain a
written verification/identification of the illness or injury including
return-to-work status and limitation(s).

Upon returning to your residence, you must call in and report to the Watch Office concerning your condition and the doctor's evaluation and an estimated time of return to the Academy.

- a. It is your responsibility to ensure that any work restrictions are documented by the doctor, provided to you, and delivered to the appropriate Academy staff for evaluation. You will be responsible for turning in all paperwork received by the doctor/hospital staff immediately following your return to Academy grounds.
- b. Physical injury, personal illness, or absences of any kind, that result in the cadet being absent from specific core courses, or excess amount of curriculum hours, may result in the cadet's inability to complete the Academy.

M. Academy Rules

- a. When reporting to any staff member's office, knock on the door and enter only when advised to do so.
- b. - Cadets will not talk to other cadets or other staff during the instructor's presentation. Any rudeness of this nature will not be tolerated. Courtesy will be the rule in the classroom.

 - a. Cadets are to sit in the rear dining room filling up the back area first and working towards the front area. Cadets are to sit in the next available seat regardless of friendships or company affiliation. When overflow allows for front dining room seating, cadets should still pursue a rear dining room seat before going to the front dining room. If the rear dining room is closed off, the front dining room

may be utilized.

Cadets are to use the Cadet Dining Room Salad Bar. If this salad bar has a line longer than 10 cadets, then cadets may use the side of the front salad bar labeled for staff and cadet use. Cadets may not use the side of the front salad bar that is closest to the wall and labeled for staff only.

Cadets are to use the two soda machines located in the Cadet Dining Room. If the line for soda exceeds 10 cadets, then the soda machine closest to the ice cream machine may be used. Cadets may not use the soda machine closest to the ticket-selling counter.

Q. Cadet Discipline

Cadets who fail to comply with the California Code of Regulations (CCR), Title 15, Government Code, Orders and/or Instructions will be subject to the appropriate disciplinary action which, depending on the severity of the violation, could include termination from State service.

1. Progressive Discipline - Three-Stage Process

- a. Preventive action is the proactive steps taken by a supervisor to eliminate or reduce the need for corrective or disciplinary action. Preventative action includes training, informing the employee of rules, and verbal reminders of expectations.

- b. Corrective action is taken once a problem is identified. It attempts to bring the employee's performance up to standard or to prevent continued misconduct. Corrective action may include written documentation of corrective interviews that may be in the form of Employee Counseling Records (ECRs) or Letters of Instruction.

Adverse personnel action is the final phase of the progressive disciplinary process. It is defined as formal disciplinary action which may result in dismissal, suspension, reduction in salary, or formal written reprimand. The severity and repetitiveness of an individual's behavior or actions will dictate at what level discipline will begin or be administered.

2. During a CO's career, discipline plays a very important role. The purpose of employee discipline is to improve performance and enhance standards of conduct. At the CTC, discipline is administered based on the seriousness of the incident. Reasons for discipline may be for:

Misbehavior - knowingly disobeying a rule or order.

Mistakes - unintended error.

Failure to Perform – testing or exam failure.

Misbehavior is generally regarded as the most serious because it reflects the character of the individual. Character cannot be tested or measured on an academic test, range score, or in physical training achievement. But over the course of a 16-week Academy, a cadet's character will be revealed, and misbehavior, misconduct, or repetitive mistakes are undesirable qualities for a peace officer. The circumstances surrounding such actions will be reviewed by the Program Lieutenant, Academy Commander, Employee Relations Officer, and the Academy Administrator, for appropriate disposition.

3. Cadet Incident Card

One method of tracking information regarding cadets is with Cadet Incident cards, commonly referred to as "Blue Cards". Blue cards are used for documenting commendations (positive incidents), "gigs" (negative incidents), and information concerning cadet behavior. Every cadet will carry **two** Blue Cards in the right front shirt pocket of the uniform at all times. The cadet will present a Blue Card to any CTC staff upon request. If the incident is a "gig," the staff will remind the cadet of the rule(s) and their responsibility. Cadets will go to their CC for a replacement card. All Blue Cards are reviewed and logged by the Program Lieutenant and returned to the cadet's CC with directions for the appropriate progressive discipline. The Blue Cards are then placed in the cadet's file.

4. If a cadet's actions are so severe or the cadet commits a crime, adverse personnel action will be taken. All adverse actions must comply with the guidelines set forth in the Government Code 19572, DOM, Section 33030, Adverse Personnel Action. Such actions are taken following approval by the Assistant Deputy Director, Office of Departmental Training, and are subject to review by the State Personnel Board.

R. Curriculum

The BCOA Program is divided into the following areas. A cadet is expected to meet the minimum standards in these areas:

Academic Instruction

Penal Code 832 Examination

Mandatory Examinations

Classroom Assignments

Practical Skill Demonstrations

Firearms Training

Ruger Mini-14 Rifle

Smith & Wesson .38 caliber revolver

Remington Model 870, 12-gauge shotgun

37mm/40mm Launcher

Physical Training

Purposes and Expectations

Emergency Response Simulation

Tactical Skills

Arrest and Control Techniques

Side-Handle Baton

Alarm Response

THE FOLLOWING ARE MINIMUM ACADEMIC STANDARDS:

1. Academic Standards

a. Penal Code (PC) 832 Examination

The Commission on Correctional Peace Officer Standards and Training (POST) requires that every peace officer successfully complete a course in the Laws of Arrest. A written examination,

PC 832, is scheduled and administered during each Academy class. The examination is conducted on-site and scored on a Pass/Fail basis. Should a cadet fail, he/she will be notified and given the opportunity to retest. Failure to pass the retest will result in rejection on probation and dismissal from the Academy.

Cadets who have completed and obtained POST certification prior to arriving at the CTC must submit their **original** completion certificate to the PC 832 Coordinator, via their CC, for review. If the original submitted certificate is current and meets all necessary POST requirements, as determined by the Academy POST coordinator or designated staff, you will be exempt from taking the written exam. However, you will not be exempted from participating in the POST classes. Additionally, you should not assume that your original certificate submitted will meet all POST requirements and that you will be exempted from the written examination until you have been given official notice of exemption by Academy staff. The POST firearms course must be completed at the Academy with no exceptions. All documents submitted will be returned to the cadet upon completion and review.

Cadets whose certificate is over three years old will have to submit a letter from an employer verifying they have been working in a peace officer classification since the time they completed PC 832 training.

b. Mandatory Examinations

Each cadet must pass each segment of all mandatory examinations. These exams are given periodically throughout the 16 weeks. Failure to pass any segment at the minimal acceptable competency level requires a retest. Should a cadet fail any segment of a mandatory examination, an Academic Failure Notice will be issued. The notice will include the date/time of the retest examination and the segment(s) to be retested. Failure to report to the retest will result in disciplinary action. Failure to pass the retest shall result in possible rejection on probation and dismissal from the Academy.

All examinations will evaluate the cadet's knowledge of the required objectives for the majority of the curriculum. Once you have shown competency in a subject matter area, you will not be tested on that material again. Cadets will be required to review and acknowledge receipt of the Examination Policies and Procedures Statement, which outlines the procedures to be followed when taking major examinations and retests. Cadets are observed during the examination process to ensure that testing policies and procedures are strictly adhered to. If a cadet is exhibiting behavior during an examination or retest that

could be construed and supported as a serious infraction of the testing policies (e.g., cheating), the cadet will be removed from the examination or retest and Rejection on Probation proceedings will be initiated.

c. Classroom Assignments

Cadets must complete all classroom assignments satisfactorily. Any assignment that is incomplete or incorrect may be redone until the assignment is successfully resubmitted. Cadets that are unable to demonstrate proficiency in classroom assignments may be referred for Administrative Action.

d. Practical Skill Demonstrations

Many courses require the cadet to perform practical skills as demonstration of learning the training objectives. These demonstrations are graded on a pass/fail basis.

While attending the Academy, you may be issued materials “workbooks” related to various course curricula. You will be expected to report to class with the related material for each course of training. Failure to do so may result in disciplinary action.

2. Firearms Training

This training consists of instruction in the use of three departmental weapons. These are the Ruger Mini-14, .223 caliber rifle; the Smith & Wesson (S&W), .38 caliber revolver (which is POST mandated), and the Remington Model 870, 12-gauge shotgun. A minimum proficiency rating of 70 percent is required for the Mini-14 (88 out of a possible 125 points). The S&W revolver requires a minimum proficiency rating of 80 percent (29 out of a possible 36 points). The 870, 12-gauge shotgun requires demonstration of proficiency in the safe operation and a proficiency rating of 70 percent (14 out of a possible 20 points).

Cadets who fail to qualify with any weapon will be given one additional attempt on the shotgun, one additional attempt on the .38 Revolver, and four additional attempts on the Mini-14. Failure to qualify will result in rejection on probation and dismissal from the Academy. Any misconduct or unsafe act committed on the range may result in your immediate removal from range training, which may result in rejection on probation and dismissal from the Academy.

3. Physical Training

The cadets will participate in PT throughout the 16-week Academy, rain or shine. The physical fitness training at the BCOA is **mandatory**. If a cadet becomes ill and misses any portion of a PT class, the cadet

must go to the doctor and obtain written verification. This medical verification must include identification of the illness or injury, including return-to-work status and limitations.

The purpose and expectations of the PT program is:

To increase the cadet's fitness level. This includes the normal components of fitness (aerobic and anaerobic capacity, muscular strength, and endurance, etc.).

To prepare the cadets to complete the Emergency Response Simulation (ERS) test in five minutes, five seconds.

The PT Program consists of warm-up/cool-down, stretching, calisthenics, formation running, running at your own pace, interval training, wind sprints, step aerobics, and a 25-station weight training circuit.

ERS

The ERS consists of a 500-yard run followed by a simulated stretcher carry. The 500-yard run involves running on different surfaces, up and down stairs, through hallways, and negotiating an agility course. You must complete the ERS in less than five minutes, five seconds, prior to graduating. Failure to do so will result in rejection on probation and dismissal from the Academy.

NOTE: Turn to Page 36 for more information on physically preparing yourself for active participation before your arrival at the CTC.

4. Tactical Skills

Employees who supervise inmates or parolees must have training in physical controls that are acceptable and approved for use in the CDC. Basic techniques will be taught in the use of the Side-Handle Baton and Arrest and Control techniques. A working knowledge of the basic techniques must be demonstrated for successful completion of these courses.

Side-Handle Baton

Training consists of application of spins, jabs, blocks, take downs, come alongs, retention techniques, and legal aspects. Cadets failing initial qualification upon completion of the 24-hour class will be given remedial training that will include a retest. Failure to pass the retest will result in rejection on probation and dismissal from the Academy.

Arrest & Control

This course of training is POST mandated and is presented in 28 hours of lecture and physical proficiency training and development (mat work). It provides you with a basic working knowledge and understanding of defense techniques used to defend against an assaultive person and methods used to restrain (mechanical or otherwise) assaultive individuals. Cadets failing initial qualification upon completion of the class will be given two hours of remedial training that will include a retest. Failure to pass the retest will result in rejection on probation and dismissal from the Academy.

Alarm Response

This course consists of 6 hours of lecture and 24 hours of field exercises. The field portion requires running, coordinated effort, and team movement. It will enable officers to safely and effectively respond to alarms and emergency situations inside an institution.

S. Hardship Transfers/Lateral Transfers

You should not have accepted an appointment to an institution with the expectation of being able to transfer to another institution, if the accepted assignment becomes difficult. Institutional staffing levels are based on the assignment you commit to when you call to accept. Consequently, you will be held to your commitment. Although a "Hardship Transfer Request" (HTR) process is available, the vast majority of such requests are denied. Hardships are unforeseen problems that occur or become evident between the time you accept the assignment and the date that you determine that you need to submit for a HTR. Documentation proving the hardship will be required upon application. Only those HTRs based on circumstances that could clearly not have been anticipated will be considered. The Department expects you to fully consider your personal situation prior to accepting an assignment, thereby selecting an assignment that you can stay with and that fits your needs.

HTRs based on circumstances that existed or could have been anticipated at the time an appointment was accepted will be denied. Some examples of requests based on pre-existing circumstances that will not be considered are:

- ◆ Problems relocating yourself or your family.
- ◆ Problems selling your home.
- ◆ Problems securing childcare.
- ◆ Problems due to child custody agreements, consent decrees, or court orders.

- ◆ Problems providing assistance or medical care to elderly parents, children, or other significant others.
- ◆ Problems based on family member's pre-existing medical, emotional, or psychological conditions.
- ◆ Problems resulting from separation from your family or because your family decides they do not want to relocate.

If you have a legitimate hardship, you will receive further information while at the Academy on how to proceed. **Do not contact Selections and Standards Branch or the institution you are requesting transfer from/to.**

"Lateral Transfers" are requests for transfer to another institution in cases that are not considered hardships and are available through your institution. Keep in mind, however, that you will be expected to complete the remainder of your probationary period (approximately five to six months) at the institution you accept. Upon completion of your probationary period, you can request a transfer to another facility. However, granting such transfers are discretionary on the part of the Wardens and are controlled by the collective bargaining agreement covering Unit 6 employees (COs).

T. POST and the Correctional Peace Officer Apprenticeship Program

The POST Correctional Apprenticeship Program is an organized, planned system of training for entry-level correctional peace officers. For COs, it consists of the 16-week BCOA, and the completion of a minimum of 24 qualifying months and 3,600 hours of on-the-job training allocated among major work processes. The program also features frequent job assignment rotations and performance evaluations. You will be enrolled in the Apprenticeship Program during the Academy registration process.

Sometime early in the Academy, POST staff will provide you with additional information regarding the program, your responsibilities, and the role of POST in the Apprenticeship Program. This orientation will include detailed instructions on how to complete and keep the written documentation that is required of all apprentices.

POST staff will also provide information regarding Veterans Educational Benefits; the option for qualified veterans of the United States Armed Forces to utilize their educational benefits during their apprenticeship period. Cadets who may be interested in applying are advised to bring a copy of their military discharge notification (DD214 or other certifying documentation). POST staff will provide further instruction and will answer questions during the apprenticeship program orientation.

U. COSIT

Throughout the 16-week Academy, all cadets will be transported for COSIT to institutions geographically close to the Academy, (e.g., Folsom State Prison,

California State Prison-Sacramento, California Medical Facility, California State Prison-Solano, Sierra Conservation Center, Deuel Vocational Institution, and/or Mule Creek State Prison). This will enable you to observe and participate in CO duties such as dining room operations, count procedures, search techniques, and other types of institutional operations. All cadets are expected to remain alert while en-route and returning from COSIT. Prior to departing for this training, you are required to have in your possession a valid driver's license, your cadet identification, a pen, and any necessary notebooks or COSIT materials. Academy academic study material is the only reading material allowed on the COSIT. Study material may be carried in an open binder only. Zippered or enclosed binders are not allowed. Outside reading material will not be permitted on the bus. No backpacks, book bags, briefcases, personal food, lunch boxes or coolers are allowed on COSIT. A small bottled water or sports drink will be permitted. Cadets are responsible for the inside cleanliness of the bus upon their return to the Academy.

V. Recreation

1. **Appliances** – Handheld type electronic entertainment devices are authorized, providing that they have muting or earphone capabilities (i.e., Gameboy type games, Solitaire games, Walkman type radio or Compact Disc player, Watchman LCD TV, or laptop computer). Devices may be AC or DC powered, and must be operated while wearing earphones. If they possess recording capabilities, no recordings are to be produced on CTC grounds at any time. These devices are only authorized to be in your possession during off-duty hours. The State is not responsible for the theft, damage, or other loss of any cadet's device or associated products.
2. **On-Site Amenities** - The Academy grounds include a fully outfitted weight room and exercise room, two horseshoe pits, a quarter-mile track, volleyball nets, a barbecue area with tables, television rooms, basketball gymnasium, study rooms, a small store, and a multi-purpose room with training mats.
3. **Off-Site Amenities** – There are nearby golf courses, fishing sites, and areas to bicycle. Golf, fishing, and bicycling equipment must be stored in vehicles and not in Academy housing.

W. Video Production Unit

The Video Production Unit (VPU) located at the CTC produces training videos for the BCOA and the rest of the CDC. In addition, the VPU produces training courses that are transmitted "live" via satellite to each of our 32 prisons. The VPU also provides still photography and other audio and visual services on a regular basis.

Occasionally, members of the VPU may need to photograph or videotape cadets while they are engaged in various BCOA activities. The resulting photographs or videotape are used only for departmental training or informational purposes. This material will not be distributed to the news

media or used for commercial purposes without written consent of the cadet(s).

As a Department employee and a new cadet, you will be expected to cooperate fully with the VPU so that they may present you and your fellow cadets in the best light possible. Your assistance in helping us create a high-quality, professional image of the CDC is greatly appreciated.

X. Probation Report

During the final month of your training, prior to graduation, your first Probation Report will be completed and discussed with you. This report will reflect all test scores, graded exercises, and degree of proficiency in areas of motor skills. This report will become part of your training file and is forwarded to your assigned institution to aid them in developing a training program to further develop your skills.

Y. Graduation

A graduation ceremony is held at the conclusion of the 16-week BCOA. By successfully completing the BCOA, you will have earned the privilege to wear the badge of a CO. You may invite a limited number of your family and friends to attend the graduation.

Bedspreads may be laundered by cadets or exchanged on linen day, on an as-needed basis. There are not enough spare bedspreads to exchange all cadets' bedspreads each week.

Supplies will be restocked by Janitorial Services each week (normally Wednesday). If more supplies are needed, cadets should notify the Janitorial Services Office. There is a supply list in each janitor's closet for each dorm.

A. Laundry and Dry Cleaning

Coin-operated laundry facilities are located on the grounds and are available for your use. Clothes will never be left unattended in the laundry facility for any reason. Additionally, dry cleaning facilities are located in the Galt, Sacramento, Elk Grove, and Lodi areas.

Please fill out the top section of the Work Order Request Form completely. Be specific about the problem and location. Whenever possible, specify the unit and room number from the nearest door (Example: Room E-115). Being specific will enable the CTC Plant Operations staff to respond in a timely manner.

12. Jury Duty

Contact your CC immediately.

AA. Equal Employment Opportunity

The CDC offers equal employment opportunity to **ALL** regardless of race, color, creed, national origin, ancestry, sex, marital status, disability, religious or political affiliation, or sexual orientation.

BB. Sexual Harassment

The CDC is committed to providing a workplace in which all individuals are treated with respect and professionalism. Consistent with this commitment, it is the policy of CDC to provide a workplace that is free from all forms of discrimination and harassment, including Sexual Harassment. Additionally, it is the policy of CDC to provide Equal Employment Opportunity (EEO) for all employees and applicants for employment. During your course of training at the Academy, you will receive additional training on both policies. However, there are certain expectations of behavior you should be aware of upon your arrival at the CTC.

Sexual Harassment is defined under State and Federal Law as unsolicited and unwelcome sexual advances, requests for sexual favors, and other verbal, physical, or visual conduct of a sexual nature that interferes with work performance by creating an intimidating, hostile, or offensive work environment.

Examples of conduct that violates this policy include, but are not limited to:

- Unwelcome sexual advances or sexual pressure.

- Making or threatening reprisals after a negative response.

- Verbal conduct of a sexual nature, such as derogatory or demeaning comments, slurs, sexually explicit jokes, comments about an individual's body or physical appearance, suggestive or obscene remarks, or practical jokes.

- Physical conduct such as leering, sexual gestures, impeding or blocking movements, pinching, grabbing, patting, intentionally brushing up against another individual, rape, or assault.

- Conduct in violation of this policy may be aimed against a particular individual or individuals of the opposite or same sex as the individual(s) engaging in the conduct.

- All employees **must** report any violations of EEO and/or sexual harassment policy even if the discriminating or harassing behavior was not directed at you.

The EEO policy prohibits discriminating against or harassing anyone on the basis of race, color, national origin, ancestry, sex (i.e., gender), religion, marital status, age, disability, medical condition, pregnancy, childbirth and related medical conditions, sexual orientation, veteran status, or political affiliation, or any other basis protected by State or Federal law or local ordinance. This includes a perception that the person has any of these characteristics or that the person is associated with a person who has or is perceived to have any of these characteristics.

Examples of conduct that violates this policy include, but are not limited to:

Verbal or visual conduct, such as using derogatory terms or discriminatory jokes.

Following or stalking a co-worker, sending harassing correspondence by any means.

All CDC employees must adhere to, refrain from engaging in, condoning, or leaving uncorrected conduct that violates policy, and report any violations of either policy immediately upon becoming aware of any conduct that the employee believes violates the policy. This includes while off duty, if the conduct has a nexus or relationship to work or the CDC.

CONSEQUENCES - Any employee, who is found to have violated either policy, even if such conduct does not violate State or Federal law, will be subject to appropriate corrective and/or disciplinary action, up to and including termination from State service, regardless of job level or classification. In addition, individuals may be held personally liable for their conduct.

CC. Director's Rules - CDC Title 15

The following rules of the Director are excerpted from Title 15 of the CCR. You will be responsible to adhere to and have full knowledge of the following:

1. 3391 - Conduct

Employees must be alert, courteous, and professional in their dealings with inmates, parolees, fellow employees, visitors, and members of the public. Employees shall not use indecent, abusive, profane, or otherwise improper language while on duty. Irresponsible or unethical conduct or conduct reflecting discredit on themselves or the Department, either on or off duty, shall be avoided by all employees.

2. 3392 - Punctuality

Employees must report for duty promptly at the time directed and not leave work assignments before completion of their scheduled work day or tour of duty, except with their supervisor's permission. If for any reason an employee is unable to report for duty, the employee must notify his or her supervisor at the earliest possible moment.

3. 3395 - Alertness

Employees must not sleep or be less than alert and in full possession of all faculties while on duty.

4. 3399 - Transactions

Employees shall not directly or indirectly trade, barter, lend, or otherwise engage in any other personal transactions with any inmate, parolee, or person known by the employee to be a relative of an inmate or parolee. Employees shall not, directly or indirectly, give to or receive from any inmate, parolee, or person known by the employee to be a relative of an inmate or parolee, anything in the nature of a tip,

gift, or promise of a gift.

5. 3400 - Familiarity

Employees must not engage in undue familiarity with inmates, parolees, or the family and friends of inmates or parolees. Whenever there is reason for an employee to have personal contact or discussions with an inmate or parolee or the family and friends of inmates and parolees, the employee must maintain a helpful, but professional attitude and demeanor. Employees must not discuss their personal affairs with any inmate or parolee.

6. 3410 - Intoxicants and Drugs

Employees must not come upon the grounds of an institution or Correctional Facility or otherwise report for duty under the influence of intoxicants or drugs. Use of alcohol or drugs to the extent that it interferes with job performance is grounds for dismissal from State service.

It is the duty of every employee to promptly report to the Academy Administrator, or designee, any person, including an employee on duty, who appears to be under the influence of drugs or intoxicants.

7. 3411 - Arrest or Conviction

If an employee is arrested or convicted of any violations of law, the employee must promptly notify the CTC Watch Sergeant at (209) 744-5000. (*Reminder: The CTC phone number is on the back of the Cadet ID card*). Misconduct that impairs an employee's ability to do his or her job, or affects or involves the Department may be cause for disciplinary action.

8. 3414 - Identification Card

Every employee will be issued a departmental ID card. Employees must, while on duty, carry such card upon their person and produce the card upon request. Any cadet who loses his/her ID card will immediately provide a written report to their CC or the CTC Watch Desk. Replacement of the State ID card is subject to a replacement fee.

9. 3275 - Weapons

Only such weaponry that has been approved by the Director for Department-wide use, or for use only by designated jurisdictions of the Department shall be issued/assigned to an employee or carried/used by an employee while on duty. For the purpose of this section, weaponry includes any offensive or defensive lethal or less lethal device. Employees assigned to facilities or work locations where

inmates/parolees are located, or in the supervision of inmates/parolees in the community, shall not have accessible, carry or use any privately-owned weaponry while on duty except as authorized by the Director.

No weaponry of any kind shall be taken into the security areas of an institution where inmates/parolees are located except for emergency use as ordered by the official in charge, for or use in regularly armed posts as prescribed in local procedures of post orders.

All necessary precautions shall be taken in the storage, use, and movement of weaponry to prevent it from falling into the hands of inmates, parolees, or other unauthorized persons.

Pursuant to the California Penal Code (PC), Sections 4573 and 4574, it is a violation of State law to bring firearms, weapons, ammunition, chemical agents, alcoholic beverage, or illicit drugs onto State prison grounds. The CTC is a State facility; therefore, you are **not** to bring any of the below-listed unauthorized items onto the CTC grounds. These items **may not** be left in your vehicle. Possession of these unauthorized items **will** be cause for disciplinary action and/or dismissal. If you have any questions as to what may or may not be unauthorized items, contact the Academy **before** you bring the item on the CTC grounds.

The following are prohibited on the CTC grounds:

- Firearms/weapons (including handguns, rifles, paint ball guns, pellet guns, BB guns, gun replicas, stun guns, tasers, martial arts weapons of any kind, side-handle batons, straight batons, bow and/or arrows, etc.).
- Knives of any kind or length (including box cutters, razor knives, machetes, and any other item or tool which has a knife blade).
- Ammunition of any kind (live rounds or casings).
- Explosives or teargas (including firecrackers, chemical agents, mace, and pepper spray).
- Alcoholic beverages.
- Illicit drugs (any drug considered illegal to use or possess).
- Scissors measuring over 3-1/2" in overall length end to end.
- Handcuffs or handcuff keys.
- Radios, stereos, televisions, cassette players/recorders, and compact disc players, except those specifically described in the Recreation Section of this Handbook.

Violation of either PC Section 4573 and 4574 is a felony. These PC Sections are strictly enforced, and you will be held accountable for your actions. It is your responsibility to thoroughly search all areas of your vehicle and/or personal property prior to entering the CTC grounds. Lack of knowledge as to the contents of your personal property will not be an excuse from the law.

GOOD LUCK IN YOUR NEW CHOSEN CAREER!!

Prospective Candidate:

PHYSICAL TRAINING AT THE CORRECTIONAL TRAINING CENTER

Congratulations on receiving an assignment letter for possible appointment to the Basic Correctional Officers Academy. When you arrive at the Correctional Training Center (CTC), you need to be prepared to participate in the Physical Training Program (PTP).

The PTP is a progressive one, consisting of stretching, calisthenics, formation running, running at your own pace, wind sprints, aerobics, and a 25-station weight training circuit. You will be expected to perform various stretches, calisthenics, and run one mile beginning the first week of the Academy. At the end of your company's 18-session physical training program you will be evaluated in the Emergency Response Simulation (ERS). It is recommended that you adequately prepare yourself so that you can actively participate in the PTP upon your arrival at the CTC.

Enclosed is a suggested exercise routine consisting of a stretching warm-up and a basic run/walk training program. If followed, it will assist you in preparing for the required participation in the PTP. In addition to the enclosed, it is recommended that you begin basic stretching and toning exercises such as sit-ups and push-ups.

To assist you in your training program at home and at the CTC, it is recommended that you purchase a pair of running shoes and a pair of aerobic shoes. Running shoes are designed to support the foot while running, while aerobic shoes are designed specifically for the lateral movement that takes place while participating in aerobics. Wearing the proper shoe will help your legs absorb the impact that is associated with each activity. It is to your benefit to have the proper shoes while training at home and at the CTC.

If any of the following situations apply to you, you should consult a physician before beginning any exercise program.

- Over 35 years of age
- Smoker
- Taking any type of medication
- Currently under a physician's care
- Have not been physically active for the last three months

The Physical Training staff at the CTC look forward to helping you begin a challenging and rewarding career with the California Department of Corrections.

Sincerely,

M. BEABER, Captain

Academy Commander

The Three-Segment Workout

Most workouts for developing cardiovascular fitness consist of three essential parts:

- A warm-up
- A vigorous conditioning period, and
- A cool-down

All three segments are essential for a sound program.

The Warm-up

Proper warm-up prior to each workout is a wise habit. In addition to preparing your body for the upcoming workout, the warm-up reduces the risk of injuries and muscle soreness. It stimulates the heart and lungs moderately and progressively, as well as increasing the blood flow and muscle temperatures gradually. Suggested warm-ups include calisthenics such as jumping jacks, sit-ups, push-ups, walking, and light stretching.

The time required for warm-up varies with the individual. However, as soon as you begin to sweat (an indication that the temperature of the deep tissues has increased) you are now ready to begin light stretching (see attached flexibility program).

The Conditioning Period

The conditioning period of your workout should involve those exercises that stimulate and develop the cardiovascular system. Basically, during the conditioning period, you are raising your heart rate to your training heart rate level and keeping your heart rate elevated for a minimum of 20 minutes.

As your fitness level increases, you will be able to maintain your raising heart rate for a period longer than 20 minutes, but for the beginner who is out of shape, you want to strive to elevate your heart rate at least for 20 minutes.

The Cool-Down

The cool-down is the tapering off period after completion of the main conditioning period. It is best to accomplish your cool-down by continuing your activity but at a much lower intensity. Walking is the most common means of gradually diminishing your intensity level. After walking, the attached flexibility program should be used.

The cool-down allows your muscles to assist in pumping the blood from your arms and legs back to the heart. If you end a workout abruptly, your heart will continue to send extra blood to the muscles for a few minutes, which may result on pooling of the blood in your extremities causing you to pass out. Generally, you should cool down for at least 5 minutes.

Prolonged fatigue for one hour or more after your workout probably means your workout was too demanding.

Flexibility Program

The following stretching exercises are recommended for use as part of a complete physical fitness program. Increase the body temperature (break a sweat) before doing any stretching exercises. This will prepare the muscles to be stretched. Slowly move into each position and hold it. DO NOT BOUNCE OR JERK.

Hamstring and Glutes

From a back lying position slowly pull right knee to chest. Hold, repeat holding left leg.

Lower Back

Lying on your back, pull both knees in toward chest and hold.

Hamstring

From a sitting position with right leg bent (bottom of foot facing left leg) reach forward to left foot. Hold, relax and repeat to right side.

Groin Stretch

Sitting with feet together and knees pointed outwards apply gentle pressure pushing down with your elbows on the knees. Hold, relax.

Upper Trunk Stretch

Lying on your stomach, extend the arms keeping the pelvis on the floor. Hold, relax.

Back Stretch

Kneel, sit back on heels and extend arms overhead. Reach forward and hold.

Quadriceps Stretch

Stand erect, bend right knee and hold right ankle with right hand. Hold and repeat on left side.

Calf Stretch

From a standing position lean forward against a wall, keep right leg straight and bend the left. You should feel a stretch in the right lower leg. Hold and repeat with left leg.

Side Stretch

Standing with feet approximately fourteen inches apart, bend slowly sideways at the waist and hold. Relax and repeat on the opposite side.

Shoulder Stretch

Standing with feet about fourteen inches apart, extend arms overhead and clasp hands. Push chest forward, hold and relax.

Subject : **FRATERNIZATION POLICY**

The following Fraternization Policy Statement is effective immediately and supersedes all past Richard A. McGee Correctional Training Center (CTC) policies in regard to fraternization.

The CTC defines fraternization as any association between staff and cadets that could be viewed as, or possibly lead to, preferential treatment toward the cadet prior to their graduation from the Basic Correctional Officer Academy. The CTC staff includes all permanent and guest staff assigned to the CTC regardless of classification.

Fraternization between staff and cadets is strictly prohibited. Conduct must be kept at a professional level at all times. Staff and cadets will not engage in any social exchange or conduct of a personal nature or conduct which could be viewed as personal in nature, either off or on duty.

Examples of violations are as follows: dinner off grounds together, drinking together, dancing together, and/or accepting rides in personal vehicles.

Failure to adhere to this policy may result in adverse action that includes, but is not limited to, a formal reprimand or dismissal. Upon assignment to the CTC, all personnel are required to sign a Statement of Compliance to this policy.
